Message from the DbI Nomination Committee

2027 IS AN ELECTION YEAR!

Members with voting rights are encouraged to ensure their membership is renewed by the deadline to maintain their voting eligibility.

Due to changing circumstances, the deadline has been extended to January 31, 2027.

Keep an eye out for emailed notices of membership dues from DbI's treasurer at the beginning of December.

Together, we can build strong leadership and a vibrant future for the global deafblind community.
