President’s Report

Over the last year or so many of our individual members and organisations have been facing difficult economic times. There have been financial challenges and political unrest in some of our partner countries. It’s at these times it’s even more important that DbI can continue to represent and support our deafblind children, adults, their families and practitioners who do so much to support often the most vulnerable people in our communities.

The importance of coming together, sharing knowledge and supporting each other can’t be underestimated. The Management Committee and DbI Board joined over 300 delegates at the conference in Lille in August 2013. The conference theme was Identities and Changes, Commonalities Across Deafblindness. DbI are indebted to Dominique Spriet Chair of the Local Organising committee and Jacques Souriau, Valerie Taggiasco, ANPSA and RFPSC for the work of the scientific and planning committees.

As well as holding our usual business meetings, including our Annual General Meeting, colleagues came together at the various network events. The DbI Networks continue to be a major influence in sharing and driving forward practice.

Given that DbI is limited in financial resources we continue to work as economically as possible. By sharing a number of tasks at the one event we can achieve a great deal. The officers and the day to day business is largely conducted by Skype and email and it’s a testament to the truly international nature of DbI’s work that key functions of the Management Committee are spread across Australia, Netherlands, Canada, USA, Austria, UK and Norway.

We also participated in a joint conference with Blind Peoples Association (BPA), International Council for Education of Visually Impaired (ICEVI) in April in Ahmedabad, Gujarat. The first joint DbI conference in Asia was in Bangladesh in 2006 so it was an immense privilege to participate in the second joint conference in India with ICEVI.

We were also delighted to participate in The World Federation of Deafblind (WFDB) conference held in the Philippines in November. This was the 10th Helen Keller World Conference and the 4th WFDB General Assembly. The conference theme was "Accessibility and inclusion for people with deafblindness in everyday life - CRPD for everyone everywhere." Our Past President William Green represented DbI and joined over 200 delegates.

Over the course of the year we were also planning for the next world conference to be held in Bucharest, Romania in 2015. The scientific and local planning committees were established and introductory meetings held.
We continue to improve our Governance expertly led by Senses Australia undertaking our secretariat responsibilities. Our financial and audit compliance continues to be undertaken by Kentalis. We are grateful for the support of the organisations and the continued commitment from colleagues.

Our flagship publication, the DbI Review continues to grow and our website has been developed with more to do on social media. Thanks are extended to the Canadian Deafblind Association for their continued work in this important information function.

Finally huge thanks to all our members, colleagues and friends who continue to make the work of DbI possible.

Kind Regards

Gill Morbey

Vice President Report

It is exciting to see how DbI continues to grow. The strategic plan has helped shape our activities and allowed us to focus on the priorities identified by the Board. The professional growth in DbI and the participation of the Board has helped increase the awareness of the needs of individuals who are deafblind. During the past year I have been involved in the following activities:

Sponsorship Committee
The Committee worked with the secretariat to review the requests for assistance to attend the European Conference in Lille. The budget was divided among 5 individuals to attend the conference. After the conference an evaluation form was sent to each person to inquire about what they did with the knowledge after attending the conference. In all cases they indicated that they shared the information with their colleagues and organizations in their local communities. The follow-up evaluation is an important part of the sponsorship activities.

Awards Committee
The Committee prepared an announcement for nominations for awards to be given at the European Conference in Lille, August 2013. Marlene Daelman and Dominique Spriet received the Distinguished Service Award and David Brown received the Lifetime Achievement Award.

Partnerships
I attended the ICEVI Executive Committee meeting in London in February 2013 as the representative of DbI. Our involvement helps promotes the needs of individuals who are deafblind. I encouraged the members to include children who are deafblind in the Education for All Visually Impaired Children campaign.

Organizational Activity
After the Board Meeting in Lille, I started to work with Roxanna Spruyt-Rocks on a revision of the conference guidelines. This was an effort to make areas of the report clearer for the conference host and to include new items when appropriate. At this time the document is ready for review by ManCom at the Belfast meeting in November 2014.

Updated financial information and copies of recent publications were submitted to the Economic and Social Council of the UN for our application. The Council has been sending information on events at the UN and I received a document on educational issues around the world. This document was circulated to the members of the Board.

Bernadette M. Kappen
Vice President Report
Vice President Report

In 2013 two very successful DbI Conferences were held. In April we collaborated with ICEVI to hold the ICEVI-DbI 2nd Joint Asian Conference in Ahmedabad India and in August the 8th DbI European Conference was held in Lille France. ManCom meetings were strategically held just prior to these conferences so that attendance, support and an increased DbI presence would be possible.

A focus on DbI Networks with regards to a system of coordination, increased awareness of the technology requirements and the development of new networks were realized during 2013. I had the pleasure of sitting in on a couple of Network meetings this year with a view to increased understanding of Network activities and their needs.

With one and a half years remaining we are making progress on achieving our Strategic Plan goals and continue to formally monitor our progress at least twice a year. A format for the board to provide feedback to ManCom on the present and future Strategic Plans will be developed prior to our final meeting of this four-year term in May 2015.

I continue to provide support to Stan with regards to the DbI Review publication and want to thank everyone for their submissions. Much of the work being done around the world in this field continues to be written about right here in our own magazine.

A transition of personnel within our secretariat took place this year and from my perspective it was very much seamless. Thank you Matthew, Elvira, Bronte and the management of Senses Australia for everything you do for DbI.

Many thanks to all those who contributed to the awareness of DbI and the needs of persons with deafblindness during the past year. We can and are making a difference!

MEETINGS
Ahmedabad, India
In April the Management Committee (ManCom) met for the first meeting for 2013 in Ahmedabad, India. Along with establishing the new officers of the ManCom into their roles and setting forth the actions required for the year we were also fortunate to meet with the organisers of the 2nd Joint Asian Conference of International Council for Education of People with Visual Impairment (ICEVI) & Deafblind International (DbI). This was a wonderful opportunity to strengthen the relationship between DbI and ICEVI through the process of collaboration.

Lille, France
In August 2013, the DbI Board and ManCom met in Lille for the annual meetings including the 2012 Annual General Meeting. There was representation from 16 countries and as a group we collaborated on the work of the Strategic Plan and set goals for the next few years. We were extremely fortunate to have the support of the corporate organisations and networks on the Board who made it possible for these leaders in their field to guide the future direction of DbI.

STRATEGIC PLAN
Significant progress was made in relation to the key actions identified in the 2012 – 2015 Strategic Plan. Over the 2013 year, the budget was more closely aligned to the Strategic Plan and this has helped DbI to achieve greater outcomes. The accomplishments have been many and some of the key achievements that involved the Secretariat included:

- Developed guidelines for dismissing members
- Followed process for selecting next World Conference host
- Called for Expressions of Interest to host European Conference 2017
- Amended MOU’s with partners
- Initiated process for existing Board members to recommend new corporate members for DbI to invite, to increase membership and fundraising initiatives
- Identified tools for tracking the effectiveness of email marketing campaigns
- Updated Policy & Procedure Handbook with amended guidelines and roles
- Identified suitable sponsorship recipients for DbI events in 2013 and worked with Sponsorship Committee and Treasury office to facilitate sponsorship arrangements

CONFERENCES
2nd Joint Asian Conference of ICEVI & DbI
Following the April meeting in India, ManCom attended the 2nd Joint Asian Conference of ICEVI & DbI. The conference was a wonderful event and we take this opportunity to thank Akhil Paul and Biju Matthew from Sense International India as
well as Dr Bhushan Punani of the Blind People’s Association for their invaluable support in the lead up to the meeting and conference.

Congratulations to ICEVI, Blind People’s Association (India) and Sense International India for hosting an outstanding conference in Ahmedabad, Gujarat in April 2013. The theme of the conference was “Towards an Inclusive Tomorrow”. Delegates from all over the world attended the event which added to the diversity of discussions. DbI was very proud to be aligned with ICEVI on this conference and looks forward to collaborating on future initiatives.

**DbI European Conference 2013**

The 8th DbI European Conference in Lille was a wonderful conference with an innovative program generating much discussion amongst old and new friends. We congratulate the organisers for running the event so professionally and thank the beautiful city of Lille for hosting all the delegates.

The Secretariat played an integral role in the sponsoring of select people from Croatia, Ethiopia, Belgium, and Slovenia. Extensive communication between the recipients, the sponsorship committee and the Treasurer occurred to enable this process and we are pleased that the funding was far reaching. The newly developed guidelines to manage the sponsorship process were followed and this improved the efficient management of the sponsorships. Feedback was requested from applicants after they attended the event and by all accounts by attending the event the recipients have been able to share information back in their country and initiate sustainable projects in their field.

**MEMBERSHIP**

A diverse membership is vital to the success of DbI. Significant work is undertaken by the Secretariat, working closely with the Treasurer to maintain current members and encourage new members.

During the Board meeting in Lille, it was decided that a promotional offer to invite new individual members to join DbI for 5 Euros for a 1 year period would be trialed. Those members would receive an electronic copy of the DbI Review and member news via email. We were overwhelmed by the response and welcomed over 50 new members from Australia, Belgium, Brazil, Bulgaria, Canada, France, Greece, Italy, New Zealand, Norway, Romania, Russia, The Netherlands, UK and USA.

Outlined in Table 1 is the status of the membership database for 2013.

WEBSITE & DbI REVIEW

Continued improvements were made to the DbI website in collaboration with the Network Administrator and Information Officer. New functions including secure pages for member access were introduced.

Issue #51 and #52 of the DbI Review were published and we were pleased to contribute articles and member information for inclusion.

CHANGE OF PERSONNEL IN THE DbI SECRETARIAT

Due to growth and changes at Senses Australia, Elvira Edwards’ role as General Manager Services expanded with her needing to concentrate more on the growing services and the many changes that will occur over the next few years in Australia. Therefore Elvira relinquished her role as Secretary of DbI. Matthew Wittorff was appointed as the new Secretary of DbI in November 2013.

MOU’s

DbI is proud to have a Memorandum of Understanding (MOU) with ICEVI and WFDB. The MOU’s were updated and circulated in 2013.

Information Officer’s Report

During this calendar year, the Canadian Deafblind Association (CDBA) was well into its fourth year managing the information function for Dbl. Under the contract signed between Dbl and CDBA, Dbl provides €24,000 each year to CDBA contract the services of the Information Officer to produce two editions of Dbl Review, manage the Dbl website and provide other information functions as requested.

Stan Munroe, employed on contract by CDBA, serves as the Dbl Information Officer and is a member of the Dbl Management Committee.

Dbl Review

During the 2013 Dbl calendar year, the Information Officer coordinated the production and distribution of two editions of Dbl Review (Number 50 - January 2013 and Number 51 - July 2013). The total costs for graphic design, printing and distributing these two editions were: €6,045 and €6,400, respectively. Printing numbers for both editions were 717 and 700, respectively. Note that the Dbl Information budget covers the graphic design costs for the English and Spanish versions of each edition; only the English version is printed. The Spanish translation of each edition is undertaken compliments of ONCE. Edition #50 was translated into French with graphic design covered by the Information budget. A Dbl special allocation covered the cost of the French translation.

This work of Dbl Review editor involves:
- seeking relevant articles about deafblindness from Dbl individual and corporate membership organizations, various international professionals, family organizations, conference participants, etc.;
- editing articles;
- organizing the placement of the material and photos for the graphic designer;
- working with the graphic designer to get the print ready document;
- working with several members of ManCom for a final edit before the document goes off to the printer;
- collaborating with the printer to ensure the magazine is published and distributed to the membership. This work also involves coordination with the Dbl Secretariat to obtain accurate lists of membership numbers and addresses (included in the magazine) necessary for the printing numbers and final distribution by the printer.

The production of this magazine is truly a huge international effort, involving a large number of individuals from many countries. Furthermore, the Information Officer assembles the material in Canada, works with the Secretariat in Australia, obtains editorial assistance from individuals in Canada and Australia, interacts closely with the graphic designer and printer located in the UK.

Dbl Website

The Dbl website (www.deafblindinternational.org) witnessed 19,215 visitors throughout 2013; 14,389 or 75% of which were unique or new visitors. This represents a 33 % increase over the total visitors in 2012. The top ten visitors in 2013 again were from the following same counties: United States (25%), UK (16%), Canada (7.5%), Italy (6.5%), Australia (6%), Spain (3.5%), Netherlands (3%), France
(3%), Germany (2.5%), and India (2.5%). The order for the top five countries was identical for the past two years.

The Information Officer and Secretariat work closely together to ensure that the website is regularly maintained and the content is as timely as possible.

In an attempt to ensure that the website satisfies the requirements of the DbI Networks, work was initiated late in 2013 to develop website subdomains to allow the networks to have their own semi-independent sites. This will be further developed throughout 2014.

**Facebook and Twitter**
DbI has become active in social media during 2013. Our social media addresses are: [www.facebook.com/dbiint](http://www.facebook.com/dbiint) and @DeafblindInt.

From the time DbI had a Facebook presence (April 2012 until the end of December 2013) the Facebook had **501 likes**.

- **Top Country distribution of likes:**
  USA, UK, Canada, Denmark, Australia, Netherlands, India, Sweden, Brazil and Italy
- **Gender distribution of likes:** 2/3 Women, 1/3 Men
- **Age distribution of likes:** 18-24 (28%); 25-34 (22%); 35-44 (28%); 45-54 (22%); 55-64 (15%); 65+ (5%)

**E-Bulletin**
DbI Information launched the first edition of the DbI eBulletin in May 2013 followed up with the second edition in October 2013. These were established in an effort to stay connected with our members and provide additional information in the spring and fall in between our regular DbI Review magazines.

PRINCIPLES OF VALUATION AND DETERMINATION OF RESULTS

General

The exchange rates per 31 December are used for the translation of foreign currencies. Differences on exchange rates are included in the income and expenditure account.

On 8 February 2010, Dbl is registraed in The Netherlands as an association.

Valuation

Accounts receivable, cash and short term debts
Accounts receivable and cash are valued at face value.

Determination of results

The assigning of cost is, if possible, based upon the causal relation between revenues and expenses.

Revenues has been taken at the moment the services are rendered.

Costs are based on historical costs.

Costs are taken at the moment they are forseeable.

OTHER ITEMS

Statutory regulation concerning the destination of the results

Art. 19.1 The association’s financial year will coincide with the calendar year. The first financial year will end on the thirty-first day of December two thousand and ten. Annually, at least one general meeting will be held, to wit within ten months of expiry of the financial year, save extension of such period by the general meeting. In this general meeting the board will present its annual report on the course of affairs within the association and on the management conducted. It will submit the balance sheet and the statement of income and expenditure together with the explanatory notes to the meeting for approval.

These documents will be signed by at least two members of the management committee.

Art. 19.2 With respect to the fairness of the documents referred to in the foregoing paragraph an auditor as referred to in Articles 235.98 (1) of the Dutch Civil Code (Burgerlijk Wetboek), to be appointed by the general meeting, will draw up an opinion to be submitted to the general meeting.
INDEPENDENT AUDITOR’S REPORT

Report on the financial statements
We have audited the accompanying financial statements 2013 of Deafblind International, Sint-Michielsgestel, The Netherlands, which comprise the balance sheet as at December 31, 2013, the profit and loss account for the year then ended and the notes, comprising a summary of the accounting policies and other explanatory information.

Management’s responsibility
The board is responsible for the preparation and fair presentation of these financial statements and for the preparation of the annual report, both in accordance with Part 9 of Book 2 of the Dutch Civil Code. Furthermore management is responsible for such internal control as it determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. This requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements give a true and fair view of the financial position of Deafblind international as at December 31, 2013, and of its result for the year then ended in accordance with Part 9 of Book 2 of the Dutch Civil Code.

Annual Report 2013
Thank You to our Esteemed Partners

Our partners are many but over the year it was a pleasure to continue our very positive relationship with two of our formal and very valued partners.

- International Board for Education of People with Visual Impairment (ICEVI)
- World Federation of the Deafblind (WFDB)

We were pleased to review and update the Memorandum of Understandings between DbI and both ICEVI and WFDB in 2013. These formal agreements have further strengthened our partnership with these organisations.

All our partners are very important to us in helping us achieve our mutual goals. The collaboration and the relationship between us and how we work together are underpinned by the values we all share of mutual respect, trust, honesty and support.

A big thank you to our formal and informal partners for working with us in 2013 and we look forward to the future.
