

Call for Nominations!

2023-2027 Dbi Board

Dbi is currently seeking nominations for the Board for the 2023-2027 term. All small and mini corporate members are eligible to be nominated. Additionally, Networks may nominate a representative to serve on the Board.

This is a wonderful opportunity to serve Dbi and most importantly to support our members who serve individuals with Deafblindness around the world.

Nominations are being accepted until March 31, 2023. Please use the attachments to review the guidelines for serving on the Board as well as the nominations form. All nominations should be sent to dbinominations@obs.org

Thank you,
