

# Vision & Strategy 2019+

# Vision

**Deafblind**  
International **Dbi**

**Dbi is THE Point of  
Connection  
in Deafblindness  
Worldwide**

**Identity**

**Awareness  
Reputation  
Recognition**

# Strategy

Connecting through proactive internal and external communication

Connecting through collaborations with the relevant international organisations

Connecting through stimulating research and learning from each other

Connecting through enhancing our culture of diversity and inclusion

# Goals

Set & updated annually

# Goals | 2019/20:

## **Proactive Communication:**

The necessary reorganisation is completed and works at least well from the point of view of those most directly involved\*.

A draft for the new website and the design of the digital DbI Review is discussed.

## **International Collaborations:**

The relevant partners are determined on the basis of a context analysis.

\*Communication Committee (including Network Coordinator), Network Chairs, DbI Review Peer Review Group (e.g. members from the Research Network), Secretariat, Information (Facilitating) Officer, ManCom and Board. "At least well" e.g. on a five-level scale.

# Goals II 2019/20:

## **Stimulating Research and Learning From Each Other:**

Networks have a real small DbI budget by 2020.

The African Research Initiative (ARI) has started.

## **Enhancing our Culture of Diversity and Inclusion:**

For the conference in Africa there are clear local “owners”.

On the way to a more diverse and inclusive income structure, the system of membership fees is reviewed and redefined.
