The duration of this event was a little over an hour and presented Ricardo Zevallos, Director of Sense International Peru, as a speaker, presenting on "General Approach to Deafblindness and Findings from the Global Deafblindness Reports." Graciela Ferioli, Representative of Deafblind International, also participated with the topic "Global Education Campaign: Breaking Barriers for Access for People with Deafblindness." The event was moderated by Miriam Gallegos, a former professor at the Salesian Polytechnic University of Ecuador, and included the participation of Marcela Méndez, a representative of REDLAT and the National University of Lanús, Argentina.

The event was broadcast live on the YouTube channel "Seminario Accesibilidad y Discapacidad." The recording is available via the following link:

<https://www.youtube.com/watch?v=PsrWDOBQBB0>.

The event aimed not only to promote greater awareness of the condition of deafblindness within the university environment but also to encourage research on the topic.
